

International Education for Peace Institute - Canada is please to announce publication of:

The Unity-Based Family
An Empirical Study of Healthy Marriage, Family, and Parenting

By
H.B. Danesh with Azin Nasser

This book is a clinically based study of the main characteristics of healthy marriage, family, and parenting. It is of special interest to health professionals, educators, policy-makers, as well as inquisitive readers searching for answers to the challenges of contemporary family life.

The Unity-Based Family makes an excellent and thoughtful gift for individuals preparing for marriage, newly married couples, parents, and those aiming to improve their family relationships.

It is an essential addition to community, college and university libraries.
